

NETWORK

COLLECTION

01.

DIGITAL APPROACH

Network aims to represent our daily life **digital approach** which gets reflected on **every situation** we face.

02.

STYLE OF USE

The Collection products can be used both as a **seamless pattern** or mixed together for more **creative designs**.

03.

INTENSITY LEVELS

Access, Connection, and Route provide a sequence of low, medium and high **color accent and pattern intensity**.

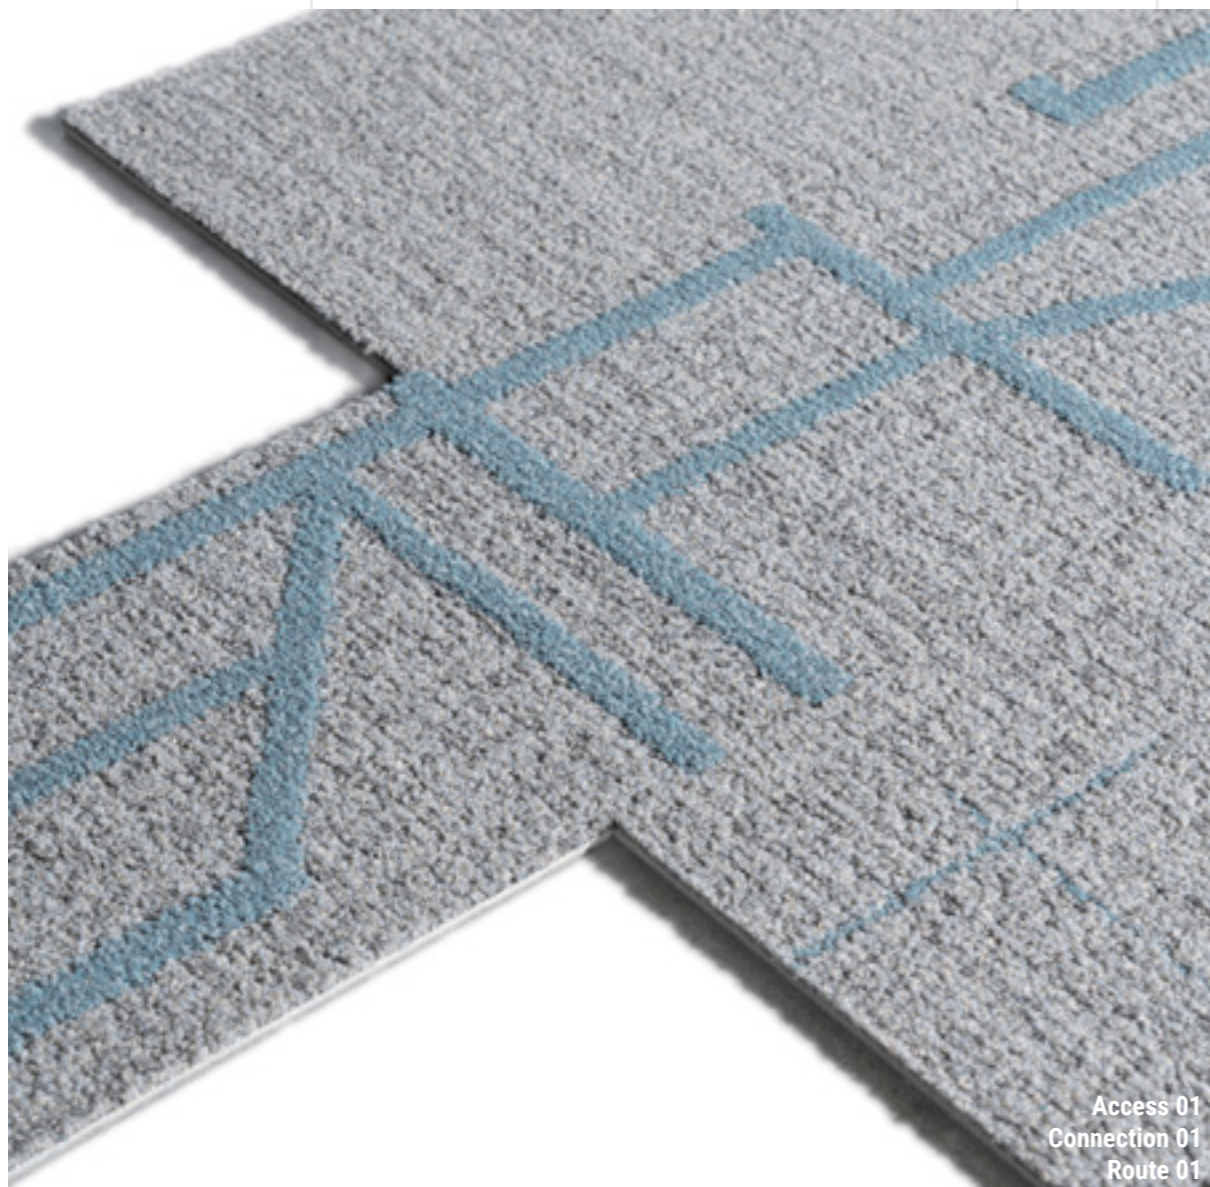

VOXFLO[®]
Your color story

01.

OUR GOAL

The deep meaning of **Network Collection** has to be found in the **will to represent contemporary life** and daily situations in a product. Thanks to nowadays technology, **our perception of space and time have completely changed**, and so have the needs of the environments supporting our activities. Through Access, Connection and Route VOXFLORE intends to **indicate, guide, and lead this process** together with **you all**.

02.

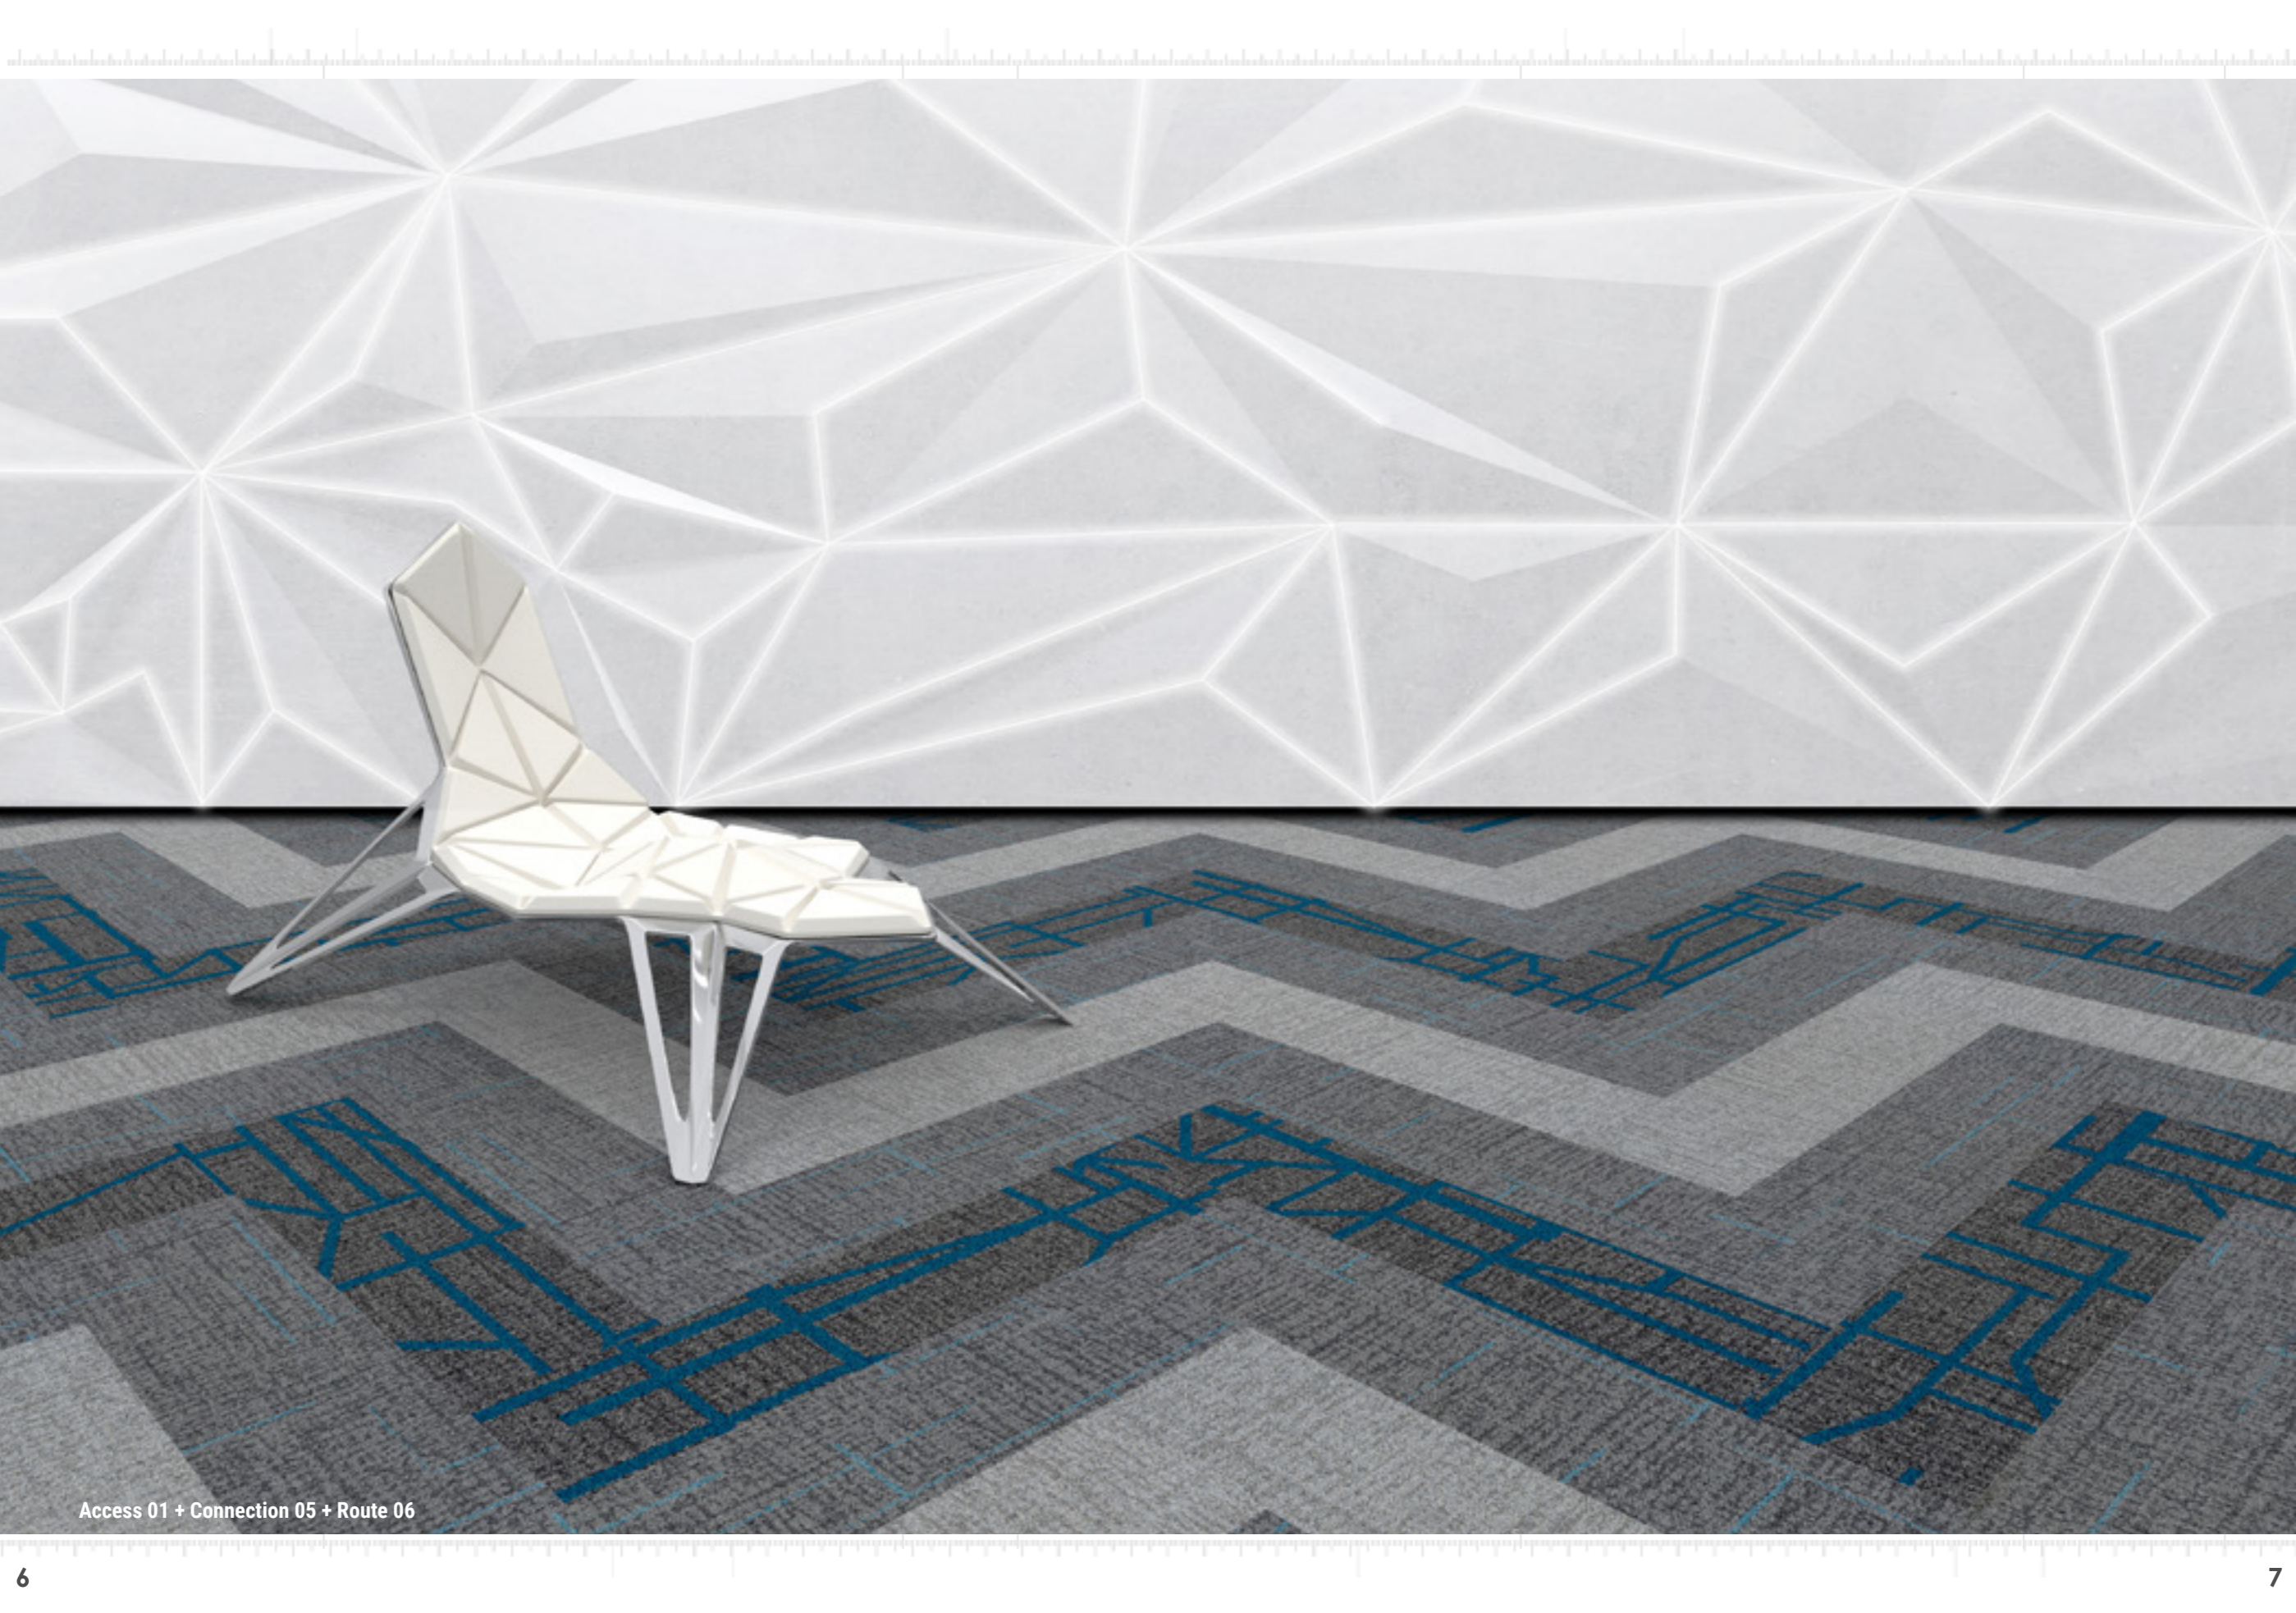

COLLECTIONS

Our society during the current 21st Century, **increased the amount of connection between people** in a sort of unlimited way, both **physical and digital**. All the Globe is connected through **transportations and communications** at every level.

Here is the Network, a series of never-ending linkages made of travels, phone calls, chats, and data exchange between all the inhabitants of the World. This new linkage creates strong relationships between humans even if they are far from each other's, giving the Earth a new dimension, cutting distance, and bringing people together.

NETWORK

ENERGY

Access 01 + Connection 05 + Route 06

Access 01, Connection 05, Route 06

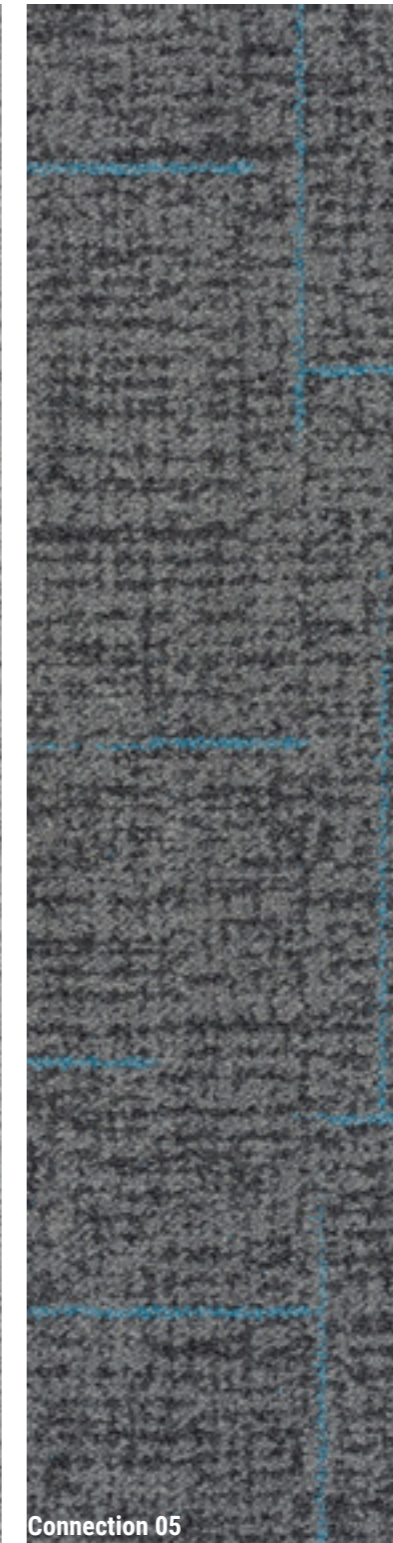

Our lives **have changed**. We are constantly **interconnected** to each other's through several kinds of devices into an **infinite net of links, bounding** every time two or more people in a single action even if distant. NETWORK Collection represents **the three different levels of digital interaction**.

The **three products** of the collection **work on different intensities** of the concept of NETWORK, **balancing** each others into **harmonic compositions**.

ACCESS

THE NET GATE

Access represents the **basic product** of the Network collection. Thanks to its **neutral colors and delicate contrast** it's like a motherboard, controlling the whole system.

Big open spaces, elegant showrooms, standard corporate offices and any space which requires balanced and quiet tones can be the perfect places to host Access carpet tiles.

Specifications

Style Name:	Access
Construction:	Multi-level Loop
Fiber:	VOXFLO [®] Certified Nylon
Gauge:	1/10"
Stitches:	8 per inch
Pile Weight:	22 OZ/yd ²
Average Pile Height:	4.0 ± 0.5mm
Backing:	EcoAce-Bac [®]
Tile size:	25cm*100cm
Total Thickness:	7.5 ± 0.5mm
Area of Use:	Commercial – Heavy Duty
Anti-microbial:	Ultra-Fresh Treatment (Available)
Flammability:	ASTM E 648 Class I, GB8624-2012 B1(C)
Smoke Density:	ASTEM E 662 Less than 450, GB/T 8627-1999
Static Propensity:	AATCC-134≤3.5 KV, GB/T 18044-2008

CONNECTION

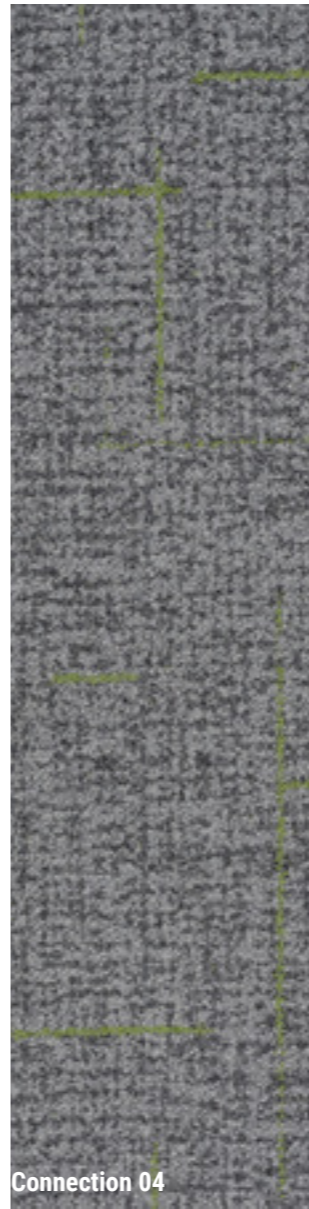

A DIGITAL TOUCH

Connection is the element which **operates as a linkage** into the Collection system. With its **little glimpse of color accents** over a neutral base, it lets foresee a **strong visual impact** without leaving its **elegant attitude**.

Corridors, entrance and lounge, distributional spaces in general can be the perfect match for Connection. Perfect to fuse color accented areas with more neutral ones, through a soft of fading effect.

Manufacture System

SOLAR
made carpet

VOXFLOOR builds its own solar power generation system and use clean energy to produce in a sustainable way.

Product Further Info

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

CE marking indicates that a product has been assessed by the manufacturer and deemed to meet EU safety, health and environmental protection requirements.

Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

EcoAce-Bac®
GLP No. : 100231

Green Label Plus is an independent testing program that identifies carpet, adhesives, and cushion with very low emissions of VOCs to help improve indoor air quality.

VOXFLOOR recommends using its own carpet tile tackifier with rust inhibitor. It is an EC-1 PLUS certified adhesive.

WELL is the leading tool for advancing health and well-being in buildings globally. Register your office, building or other space to leverage WELL's flexible framework for improving health and human experience through design.

Declare.

Declare is a transparency platform to share and find healthy building products. VOXFLOOR's EcoAce-Bac® Collection reach "Red List Free" grade.

Ultra-Fresh is a portfolio of antimicrobial treatments developed by Thomson Research Associates, Inc. Customer can choose this High-Performance Antimicrobial Technology.

The Living Building Challenge (LBC) is a certification program that defines the most advanced measure of sustainability. It uses the metaphor of a flower because the ideal built environment should function as cleanly and efficiently as a flower.

Our manufacture system has been certified under ISO 9001, ISO 14001 and ISO 45001, which means with the management, production facility and the strict quality controls, VOXFLOOR® represents qualified and trusty products.
